

# SHOWSTOPPING ECOSYS A3 SMART MFP SERIES

Stay small, but print big with our new ECOSYS A3 Smart colour and monochrome MFP range. This series offers enhanced out-of-the-box performance with optional finishing<sup>^</sup>, enabling the device to scale to your needs. Streamline your daily business processes in a surprisingly compact footprint, it's the SMART choice for eco-friendly, cost-conscious offices. KYOCERA provides customers with printing solutions that incorporates low power consumption to save energy and has long-life components which provide unprecedented efficiency and strong reliability. Additionally, these new devices are powered by our HYPAS solution platform, offering powerful customisations.

- › Exceptional colour quality
